3rd ANNUAL MEETING

Tuesday 1st November 2016

09.00 – 16.00hrs

London Marriott Hotel Regents Park
128 King Henry's Road, London NW3 3ST

Primary Care Urology Society (PCUS) provides a forum for healthcare professionals working in primary and community care to discuss and debate practical and topical management issues in urology.

DEAR COLLEAGUE

It is our pleasure to invite you to the Third Annual Meeting of the Primary Care Urology Society where we will be discussing best practice in the management of benign and malignant urological male and female conditions in primary care.

Again, the programme is varied and allows for optimum discussion and networking amongst colleagues with a keen interest in urology.

We do hope you are able to join us and register for what promises to be another highly stimulating and topical meeting.
